Rodeo Chamber of Commerce Annual Holiday Dinner

Ricky's Corner Restaurant

Monday, December 12th

Attached is a flyer for you.

Another year has gone by and I am proud to say the Chamber Board has successfully built a great relationship with the community.

Attached is a flyer of the Chamber sponsored Holiday Tree Lighting on Sunday, November 27th.

We hope that you can attend as it is a collaborative effort to bring hope and cheer to the Rodeo Community.

Now it's time to focus on our relationship with local businesses.

The Board maintains the strong vision for commerce within the Rodeo Community. We are committed to "Building Relationships with the local business owners and organizations while coordinating with public entities such as the RMAC, CCC Public Works, CCC Redevelopment, West County Business Development, Supervisor Glover and staff. We also have developed a great relationship with neighboring Chamber Boards and are working together to compliment each other rather than compete.

We invite you to join the Rodeo Chamber of Commerce in our efforts to build businesses through constant contact, education, resources and networking.

With your help and expertise, we can develop a strategic plan to boost commerce in Rodeo.

We want you to be part of the process and to work together as one unit and build a strong "Referral Relationship"

Attached is your 2012 Membership Application.

Looking forward to your membership and participation in 2012

Our first meeting in January will focus on your input and positive feedback on the concept of "Referring" our businesses and committing to Power Partners who work and promote business. Our major goal is to help members to boost sales, service, and build clientele.

Please join us at our first Chamber Mixer on *Tuesday, January 10th* at 5:30 at EL SOL Restaurant located at 224 Pacific Avenue, in Rodeo.

Attached application for membership. Your information will be shared on our Chamber website www.rodeoca.org along with other marketing efforts. Please contact me at 510.205.4994 or jaco1963@comcast.net if you have any questions.
